Great Value for Exceptional Reach

Advertising in the Western Alumni Gazette is a great way to reach an exclusive group of highly educated and loyal readers with above average incomes. Published once a year in September, the Western Alumni Gazette is mailed to the homes of more than 242,000 Western graduates in 150 countries around the world. Approximately 90% of these alumni live in Ontario.

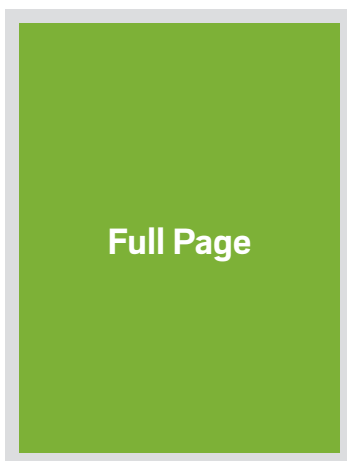

The Alumni Gazette is also distributed throughout campus in magazine racks to an audience of staff, students and faculty.
